

stampin' rewards

Stampin' Rewards are benefits you receive for placing a qualifying order. A qualifying order is any order over \$150 placed through a demonstrator's personal web site. However, as the amount of your order grows, so do the benefits!

There are two components to Stampin' Rewards. First, earn free stamp sets available only to those who place a qualifying order or host a workshop with a Stampin' Up! demonstrator.

These stamp sets cannot be purchased, which adds to the exclusivity of the stamp sets. Second, earn free dollars you can use to get Stampin' Up! product for free.

Take a look at the chart to see what Stampin' Rewards you can earn and how your rewards grow as your order grows.

As you shop, your progress toward earning Stampin' Rewards is tracked at the bottom of the shopping bag page. When you're finished shopping and are ready to check out, you will be prompted to use your free dollars first. Once you've selected product using your free dollars, you will continue the checkout process. After you hit the Checkout button, you'll be asked to log in (if you haven't already) and then to choose a reward level based on the Stampin' Rewards you earned.

Select the reward level you want, and select your free stamp sets using the dropdown menu to indicate the number of sets. If you want to see the stamp set images, click on the thumbnail for a larger photo. When you have chosen all the free sets you earned, hit the Continue button to enter your payment method and continue checking out. It's that easy!
