

# Rock n Roll Technique

Rock n Roll blog post [here](#) posted 10-22-22

## Supplies & Directions

- Use a solid image stamp and 2 colors of ink
- Ink your stamp in the lighter of the 2 colors first
- "Roll" the stamp around the edges in the darker color of ink – use a bit of a "skipping" motion, not a hard solid roll
- Stamp onto cardstock for a 2-tone effect!!
